Step 3

If, after a review of your application, you appear to qualify as a franchisee, we will send you a Franchise Disclosure Document. This FDD sets forth all details of our franchise agreement. We are required by the FTC and your state regulators to forward this to you. You are required by franchise law to sign and return the acknowledgement of the receipt of this document, which is enclosed in the FDD.

Step 4

You may then call or email or we may call you to participate in a discovery day to answer your questions and finalize the approval process.

Step 5

Upon approval by Gino's, you will be asked to execute a franchise agreement, and make a payment of the initial franchise fee. We can then begin the necessary procedures for opening your own Gino's franchise. Be assured our support team will assist you in every step of the way.

Step 6

You will be made aware of approved Gino's locations and guidelines to locate a suitable site. Once a site has been approved, and a lease has been signed, a prototype layout for your location will be provided.

Step 7

Our approved Architects and Engineer will develop working drawings for bid and permit purposes. Once the bids are complete and permits secured, construction of your Gino's restaurant begins.

Step 8

Within 30 to 60 days prior to the opening of your new franchise, you will attend the learner controlled training program. You and your management staff are required to attend and successfully complete our comprehensive Franchise Training Program. The program covers all the essential aspects of operating a Gino's Franchise.

Step 9

Once your construction is completed, your staff will be hired and trained and when the restaurant is stocked, you will be ready to conduct a dress rehearsal or dry run, which, for your benefit, must be acceptable to us.

Step 10

Your Gino's Franchise will open for business! At this time we provide you with at least 7 days of on-site assistance covering all aspects of operations.

Step 11

You may expect ongoing support to help you attract and maintain a sound customer base.

Step 12

We will work with you to develop your Grand Opening and Public Relations Plan, which should be implemented within 60 days following opening.
